## Vileplume

I have to first apologize for waiting so long to post this pattern. He has been ready for about a year now. I started teaching in September, prepared for my wedding in February, and have been house hunting. We think we have found "the one" hopefully. But anyways, Beau has been asking for Vileplume, but I didn't really want to make him, so it took me awhile to do it for him. He is a cutie, and very simple to make. I hope you enjoy making your own.

He's a happy fella isn't he!
